"Our daughter had a great experience and made friends too. It has given her a great insight into becoming a lawyer with a lot of food for thought! There's nowhere else they can receive such an insight into the world of law."

"I thought it was amazing! I found it super helpful to understand the views of different professionals and to get more insight into law as a career path. It's definitely confirmed to me that that's the path I want to take and I feel like I know a bit more about what to expect, and how to get there."
