# Discover 8-11

From classroom confidence to real-world success

Discover IH Oxford A1-B1 8-11 1-6 Weeks 1 Jul-12 Aug £1,699/week

Discover 8-11 is a fun and engaging summer course for young learners aged 8–11 at beginner level. Based in Oxford, the programme offers 15 hours of English lessons per week taught by qualified teachers with expertise in working with children. Students explore weekly themes such as Living Green, Exploring Creativity, and Feeling Good. With a maximum of 15 students per class, children learn in a safe, personalised environment while enjoying a range of sports, activities, and exciting cultural excursions.

[See the complete course overview >](#)

## Focused tuition with real outcomes

Lessons follow weekly themes designed to improve fluency, boost confidence, and spark curiosity about global topics. Students have 15 English lessons per week with specialist teachers for young learners, in classes of up to 15 students.

## Excursions with academic purpose

Students explore popular UK spots on thematic study-tours designed to bring their classroom experience to life. Each trip reinforces language learning and develops cultural understanding in real-world contexts.

## Supportive boarding and global peers

Comfortable accommodation and 24/7 care in a secure boarding school environment. Students build lifelong friendships with peers from diverse nationalities, gaining independence, maturity, and intercultural confidence.

## Course Details

- 15 hours of lessons per week
- Maximum 15 students per class
- Start dates**  
15 Jul · 22 Jul · 29 Jul · 5 Aug 2026
- Minimum stay: 1 week
- Maximum stay: 6 weeks
- 1 full-day + 1 half-day excursion per week

## Experience & Extras

- A mix of included excursions (Oxford, Cambridge, London, Windsor)
- Customise your experience — choose from included trips or upgrade from £20 per excursion\*
- Full board: 3 meals per day
- Taught by qualified, experienced teachers
- International, diverse student mix
- Daily activities, creative workshops, team-building, evening events

# English+

Discover your voice and your strengths in one unforgettable summer

English+ IH Oxford A1-C1 12-17 2 weeks 1 Jul-12 Aug £1699/week

English+ combines 15 hours of English lessons each week with 6 hours of professional coaching in activities such as football, tennis, dance, or movie-making. Lessons are taught by qualified IH teachers, while coaching is delivered in English by vetted specialists. This programme helps students improve their language skills while developing their talents, building confidence, and making international friendships in a supportive boarding school setting.

[See the complete course overview >](#)

## English learning with a personal edge

Students receive expert-led English lessons that build their vocabulary, improve spoken accuracy, and support real communication — all tailored to their level following a placement test on day one.

## Train in what you love, grow in every way

Whether it's football, tennis or movie-making, students build skills with coaches in English-led sessions. Activities are inclusive, structured, and boost personal confidence.

## A summer designed for talent and connection

Inspiring facilities, structured routines, and a vibrant international mix of students create the perfect setting for young people to thrive — academically, socially, and personally.

## Course Details

# Future Leaders: Entrepreneurship

Learn to lead, innovate, and  
make an impact that lasts

Entrepreneurship IH Oxford B2-C2 14-17 2 weeks 1-29 Jul £4138/course

Future Leaders: Entrepreneurship is a 25-hour-per-week project-based programme designed for students aged 14–17 with a B2 level or above. Delivered in a conference-style format, the course blends workshops, guest speaker sessions, and group challenges to build business knowledge, leadership skills, and creative problem-solving. Students pitch ideas in the award-winning Olivier Hall and take part in a curated visit to a programme-related location, all while engaging with an international peer group in a mature, university-style learning environment.

[See the complete course overview >](#)

## Business Learning with Purpose

Students engage in 25 hours of project-based learning each week, building business skills through workshops, guest speakers, and collaborative group work.

## From Big Ideas to Real-World Impact

Students team up to tackle real-world challenges, design sustainable solutions, and pitch ideas in the Olivier Hall — building confidence through leadership.

## A Global Network for Future Leaders

With students from around the world, structured routines, and a leadership focus, the course builds global awareness, 21st-century skills, and lasting friendships.

## Course Details

- 25 hours of project-based learning per week
- Maximum 20 students per class
- Start dates**  
1 Jul - 15 Jul 2026
- Course duration: 2 weeks
- Delivered in a conference-style format with workshops, guest speakers, and group challenges

## Experience & Extras

- Curated excursions linked to the programme theme
- Inspiring guest speakers
- Full board: 3 meals per day
- Taught by qualified, experienced teachers
- International student mix
- Award-winning facilities in Oxford

# Future Leaders: Inventors

Invent, collaborate, and lead on  
a global stage

Inventors IH Oxford B2-C2 14-17 2 weeks 1-29 Jul £4138/course

Future Leaders: Inventors is a 25-hour-per-week STEM-focused leadership programme for students aged 14–17 with a B2 level of English or above. Centred on real-world challenges in sustainability, technology, and innovation, the course blends scientific inquiry with collaborative project work. Learners develop critical thinking, problem-solving, and communication skills through hands-on activities designed to inspire the next generation of changemakers.

[See the complete course overview >](#)

## STEM Skills with a Leadership Lens

Students apply scientific thinking, inquiry, and logic to address global challenges — developing practical skills in sustainability, innovation, and design.

## Creative Thinking in Action

From experimenting with blueprints to presenting solutions, learners explore how science, technology, and leadership intersect in the real world.

## Inspiring Environment for Growth

A university-style setting, expert teachers, and a global peer group provide the ideal foundation for confidence, collaboration, and future-ready thinking.

## Course Details

- 25 hours of project-based learning per week
- Maximum 20 students per class
- Start dates**  
1 Jul - 15 Jul 2026
